

2024 淨零排放科技國際競賽

Net Zero Tech International Contest @ Taiwan

Dear Esteemed Participant,

National Taiwan University, in collaboration with the TECO Technology Foundation, is honored to extend an invitation to your esteemed institution to partake in the Net Zero Tech International Contest 2024, scheduled to be hosted in Taipei, Taiwan. Those teams passing the Preliminary Review will present their work in Final Round section. This prestigious event will take place on the 21st of August, 2024, at National Taiwan University Sports Center.

Our mission is to convene a gathering of the world's leading universities and colleges, fostering an environment conducive to knowledge exchange and elevating public awareness on the imperative of environmental sustainability. We are confident that the contribution of your team will immensely enrich the competition, showcasing exceptional talent and innovation.

Eligibility Criteria: Participation is open to all students including undergraduates and graduates from academic institutions across the globe, as well as their advisors.

Key Dates:

- Registration Period: March 1, 2024, to June 30, 2024
- Preliminary Review: July 1-10, 2024
- Announcement of Preliminary Results: July 10, 2024
- Final Round and Award Ceremony: August 21, 2024
- Visiting Activities: August 22-23, 2024

For detailed information regarding the contest, including participation guidelines and registration procedures, please visit our official contest website:
